

Prefab or Masonry?

(it's really both!)

The industry's
only real
masonry,
factory built
zero clearance
fireplaces!

Woodburning Fireplace Models
available with the following:

- 36", 42", and 50" sizes
- Traditional Stacked Style or Herringbone Pattern Masonry Firebrick Kits
- Full Insulation Standard on All Models

Fmi's grand Georgian models set new standards for wood-burning beauty, scale, quality and performance, but our new Masonry Series with real firebrick liner kits revolutionized the industry.

Georgians boast enormous opening dimensions and clean face design. An unparalleled value, the Georgian is a true hand crafted masonry finished fireplace at a fraction of the cost and installation time of site-built with factory controlled performance and consistency.
